Where: 2-190 (i.e., our regular lecture room).

SMA students:

For SMA students only: Wednesday, October 10, 2001, 6:00 P.M.–7:30 P.M. in TR6-S17 Level 3 room 20. You will be asked to stay in the SMA5504 class until 9:30 P.M.

Crib sheet: The quiz is *closed book*. You may, however, bring one *handwritten* crib sheet on an $8\frac{1}{2}'' \times 11''$ or A4 sheet of paper. Preparing a crib sheet can be a useful study aid, so take time in selecting material for it. You may use both sides of the paper and write as small as you like, but you are allowed only *one* sheet. Calculators and programmable devices are not allowed for this quiz.

Material covered: You are responsible for *all* material covered in the lectures, recitations, and problem sets through the recitation on Friday, October 5. You are also responsible for the material covered in the corresponding sections in the textbook, as indicated by the reading assignments on both the course outline and problem sets.

Quiz review: Recitations held on Friday, October 5 will be devoted to review for Quiz 1.

Exam conflict: If you are unable to attend the exam at the scheduled time, please talk to your recitation instructor in advance.
