

Quiz 1 Announcement

When: Wednesday, October 8, 2003, 9:30 A.M.–11:00 A.M. (i.e., during class hours). Please show up a few minutes early so that you can take advantage of the full time available. Because another class meets immediately after us in the same room, no additional time to complete the exam can be provided.

Where: 2-190 (i.e., our regular lecture room).

Crib sheet: The quiz is *closed book*. You may, however, bring one *handwritten* crib sheet on an $8\frac{1}{2}'' \times 11''$ sheet of paper. Preparing a crib sheet can be a useful study aid, so take time in selecting material for it. You may use both sides of the paper and write as small as you like, but you are allowed only *one* sheet. Calculators, palm-pilots, and other programmable devices are not allowed for this quiz.

Material covered: You are responsible for *all* material covered in the lectures through Monday, September 29 and in the recitations through Friday, October 3. You are also responsible for the material covered in the corresponding sections in the textbook, as indicated by the reading assignments on both the course outline and problem sets.

Quiz review: There will be a quiz review on Thursday, October 2 from 7-8pm in room 4-370. Practice Problems for the Quiz are available on the Course Web Page. The solutions for these problems will be made available (also on the web) on Monday, October 6.

Exam conflict: If you are unable to attend the exam at the scheduled time, please talk to your TA in advance.
