

## Quiz 2 Announcement

**When:** Wednesday, November 19, 2003, 9:00 A.M.–11:00 A.M. (i.e., begins half an hour before scheduled class hours). We are allowing you to begin the exam an *extra half hour earlier* than the scheduled class time in order to alleviate time pressure during the exam. Please show up a few minutes early so that you can take advantage of the full time available. Because another class meets immediately after us in the same room, no additional time to complete the exam can be provided.

**Where:** 2-190 (i.e., our regular lecture room).

**Crib sheet:** The quiz is *closed book*. You may, however, bring one *handwritten* crib sheet on an  $8\frac{1}{2}'' \times 11''$  or A4 sheet of paper. Preparing a crib sheet can be a useful study aid, so take time in selecting material for it. You may use both sides of the paper and write as small as you like, but you are allowed only *one* sheet. Calculators and programmable devices are not allowed for this quiz.

**Material covered:** You are responsible for *all* material covered in the lectures, recitations, and problem sets through the recitation on Friday, November 14. Particular emphasis will be placed on material covered since Quiz 1. You are also responsible for the material covered in the corresponding sections in the textbook, as indicated by the reading assignments on both the course outline and problem sets.

**Quiz review:** Recitations held on Friday, November 14 will be devoted mainly to review for Quiz 2.

**Exam conflict:** If you are unable to attend the exam at the scheduled time, please talk to your recitation instructor in advance.
