

MASSACHUSETTS INSTITUTE OF TECHNOLOGY  
DEPARTMENT OF ELECTRICAL ENGINEERING AND COMPUTER SCIENCE

**6.905 SUPPLEMENTAL PROJECT CREDIT**  
Permission Form for an extra 6 units for 6.111

To register for 6.905 please complete the following steps:

1. Fill in this form, attach a copy of your project proposal, and have the form signed by your project TA. You must have completed Labs 1, 2 and 3, the Proposal Conference and the Block Diagram Conference in order to be eligible for 6.905.
2. Pick up an ADD card from the Registrar, fill it in to register for 6 units of 6.905. Have your advisor sign the card.
3. Bring this signed form (with proposal attached) and the ADD card (signed by your advisor) to the Instrument Room desk at the entrance to the 6.111 lab (Room 38-601). After signing the ADD card, the lecturer will leave it at the desk so that you can pick it up. The lecturer will keep this Permission Form.
4. Turn in the ADD card (with two signatures: lecturer and advisor) at the Registrar on or before DROP DATE.

Note that deviations from the deadline are NOT possible and it is your responsibility to complete these steps before the deadline.

- Your grade for the extra six units will be the same as your grade for 6.111.
- The extra six units may not be used to satisfy either the Institute or the departmental lab requirements.
