

Coauthor tips:

- use message titles (for TOC)
 - delete blank messages
 - delete & unpublish make invisible to others (except staff)
 - ↳ for unfinished posts
 - ↳ for mistakes / garbage
 - minimize makes message default-folded (only title visible, click + to expand)
 - for no-longer-relevant content
 - add coauthors (yourself or for others)
 - edit old messages to flesh out details
 - emoji responses
 - drag messages in TOC or Actions/Move to re-organize
 - files: one per message
 - can inline files into post (& they minimize)
 - new "remove", "extract", and "restore"
 - ↳ in present
 - ↳ from history
 - list of Markdown & LaTeX features
 - GitHub issues
- Documentation link at bottom
