

3D model

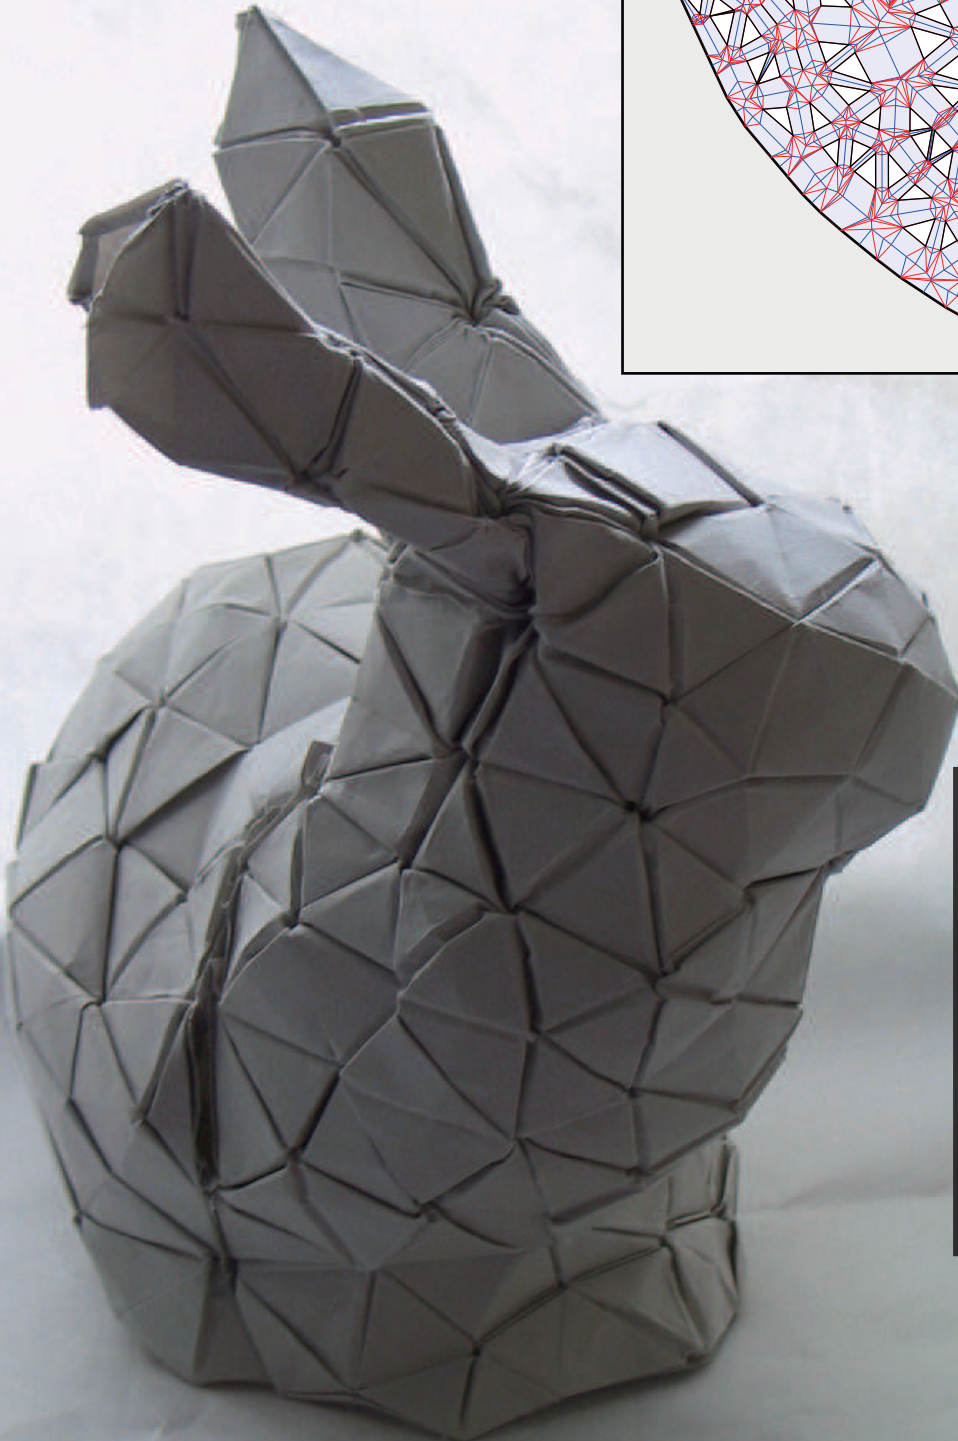

Origamizer  
algorithm

Folding  
(8 hours)

(one folded square  
of paper, no cuts)

*Learn how to...*

- design origami
- build Transformers
- fold robot arms
- bend sheet metal
- fold proteins

**...using ALGORITHMS**

6.849: Geometric Folding Algorithms  
Linkages, Origami, Polyhedra

Prof. Erik Demaine

Fall 2010

<http://courses.csail.mit.edu/6.849/>

design & folding by Tomohiro Tachi
