

Crease the diagonals

Fold the top edge to the center point, creasing only between the diagonals

Unfold

Repeat on the bottom (fold and unfold)

Fold and unfold on 1/4 and 3/4 marks

Repeat on the bottom

Repeat on left and right sides

Turn over, and crease in between the squares in the opposite direction

Final crease pattern

- Valley fold
- Mountain fold

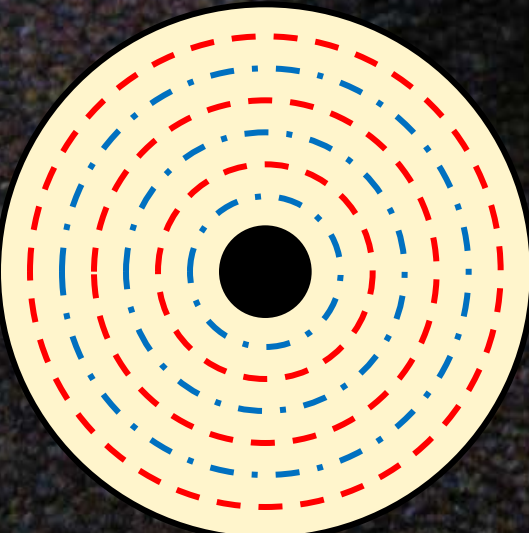

Folding the crease pattern completely forms an "X" shape

Partially opening it forms a hyper
