

Project Meetings

This week your team will work towards your first week milestone, as outlined in your project proposals. We will not have class next week and instead the staff will meet individually with each group for 30 minutes to discuss project in detail in depth. We propose the following schedule for April 8th, meetings will be held in Room 32-397.

- 12:00 - Zachary Abel and Sarah Eisenstat and Henry Skupniewicz
- 12:30 - Michelle Rosen and Zhi Teoh
- 1:00 - Will Langford, Sam Calisch, and Pragun Goyal
- 1:30 - Phillip Ewing, George Samartzopoulos, and Anirudh Sharma
- 2:00 - Sarah Southerland, Bianca Homberg, Jason Gao, and Shiyu Wei
- 2:30 - Mason Glidden, David Lawrence, Sunny Long, and Xiaoyue Zhang
- 3:00 - Tiffany Tseng, Kety Gero, and Paulina Mustafa
- 3:30 - Nadya Peek, James Coleman, and Matt Arbesfeld
- 4:00 - Pip Mothersill, Jenny Broutin, and Laura Perovich
- 4:30 - Sophia Brueckner

If the above allotted time does not work for your group please contact the TA as soon as possible. Please be sure to bring with you some form of a first milestone deliverable. Ideally, some sort of prototype the staff can interact with and discuss. Be sure to bring any questions/concerns/etc.
