Massachusetts Institute of Technology
6.042J/18.062J: Mathematics for Computer Science
Professors Charles E. Leiserson and Tom Leighton

Handout 13
February 15, 1994

Quiz Information

When: Wednesday, March 2, 1994 at 7:00–9:00 P.M.

Where: Rooms 4–149 and 4–153 (go to either).

No lecture: There will be no lecture the day before the quiz, March 1.

Crib sheet: The quiz is *closed book*. You may, however, bring *one* handwritten $8\frac{1}{2}'' \times 11''$ sheet of paper as a crib sheet. Preparing a crib sheet can be a useful study aid, so take time in selecting material for it. You may use both sides of the paper and write as small as you like, but in any case, you are allowed only *one* sheet.

Material covered: You are responsible for material covered in lecture and problem sets before the quiz (through February 28). You are also responsible for the material assigned as readings.

Problem Set 4: Because there is no lecture March 1, both the oral and written parts of Problem set 4 will be due in tutorial Monday, February 28. Graded problem sets will be available for you to pick up from the course secretary, Cheryl Patton, in NE43–201 between 3:00 and 5:00 P.M. on Tuesday, March 1.

Conflict: If you are unable to attend the quiz at the scheduled time, please talk to your TA in advance.
