

Evaluation of Student on Homework and Tutorials

Student Name:

| Homework / Tutorial                                                           | C1 | C2 | C3 | C4 | C5 | C6 | C7 | C8 | C9 | C10 | Comments |
|-------------------------------------------------------------------------------|----|----|----|----|----|----|----|----|----|-----|----------|
| <b>Knowledge acquisition</b>                                                  |    |    |    |    |    |    |    |    |    |     |          |
| Puts in a good effort on all homeworks                                        |    |    |    |    |    |    |    |    |    |     |          |
| Comes to tutorial rested and prepared                                         |    |    |    |    |    |    |    |    |    |     |          |
| Contributes resources and knowledge to group discussion                       |    |    |    |    |    |    |    |    |    |     |          |
| Learns Aggressively                                                           |    |    |    |    |    |    |    |    |    |     |          |
| Seeks help when needed                                                        |    |    |    |    |    |    |    |    |    |     |          |
| <b>Problem Solving</b>                                                        |    |    |    |    |    |    |    |    |    |     |          |
| Adopts reasonable and creative solution strategies                            |    |    |    |    |    |    |    |    |    |     |          |
| Organizes his/her thinking on paper                                           |    |    |    |    |    |    |    |    |    |     |          |
| Executes technical methods quickly and accurately                             |    |    |    |    |    |    |    |    |    |     |          |
| Checks work                                                                   |    |    |    |    |    |    |    |    |    |     |          |
| <b>Technical writing</b>                                                      |    |    |    |    |    |    |    |    |    |     |          |
| Provides clear and concise answers                                            |    |    |    |    |    |    |    |    |    |     |          |
| Reasons in an organized and logical manner                                    |    |    |    |    |    |    |    |    |    |     |          |
| Writes good executive summaries                                               |    |    |    |    |    |    |    |    |    |     |          |
| Includes diagrams and worked examples, where appropriate                      |    |    |    |    |    |    |    |    |    |     |          |
| Adopts clear mathematical notations                                           |    |    |    |    |    |    |    |    |    |     |          |
| Is neat and uses proper grammar, punctuation, and spelling                    |    |    |    |    |    |    |    |    |    |     |          |
| <b>Personal and interpersonal development</b>                                 |    |    |    |    |    |    |    |    |    |     |          |
| Participates punctually, regularly and cooperatively in lectures and tutorial |    |    |    |    |    |    |    |    |    |     |          |
| Speaks clearly and logically                                                  |    |    |    |    |    |    |    |    |    |     |          |
| Listens with openness and empathy to others                                   |    |    |    |    |    |    |    |    |    |     |          |
| Treats others with sensitivity and respect                                    |    |    |    |    |    |    |    |    |    |     |          |
| Adopts a positive team attitude towards problem solving and learning          |    |    |    |    |    |    |    |    |    |     |          |

|                       |  |
