Team Survey

This is an optional, anonymous survey. The team coaches have been instructed to turn the surveys in to an Instructor without looking them over. The Instructors will also not look them over, but will turn them over to the class secretary who will collate and report the results.

You are free to skip any of the questions. In particular, you need not identify your team, but we can provide better feedback and help if you do.

Circle your Session: 1 2:30

Table: A B C D E F G H I J K

- Teams
  - For you personally, the speed at which your team works through the class problems is:
    very slow somewhat slow about right somewhat fast very fast
