Introduction to Algorithms December 10, 2003
Massachusetts Institute of Technology 6.046J/18.410J
Professors Shafi Goldwasser and Silvio Micali Handout 31

Final Exam Announcement

When: Thursday, December 18, 2003, 9:00 a.m. —- 12:00p.m.

Where: Dupont Gym

Crib sheet: The final examination is **closed book**. You may, however, bring three $8\ 1/2'' \times 11''$ crib sheets that you prepared yourself. Preparing these crib sheets can be a useful study aid, so take time in selecting material for them. You may use both sides of the sheets and write as small as you like. No mechanical or electronic reproductions are allowed. Calculators, palm-pilots are **not** allowed for this exam.

Material covered: The form of the final exam will be similar to that of Quiz 1 and Quiz 2. The final exam will cover the entire course. You are responsible for all the material covered in lectures, recitations, problem sets, and reading assignments throughout the course.

Exam conflict: If you are unable to attend the exam at the scheduled time, please talk to your TA in advance or send e-mail to `Alantha`. The make-up exam will be on Tuesday, December 16th, at 1:30 p.m. *by appointment only*.

Quiz review: There will be a review on Friday, December 12, 1 p.m. — 3 p.m. in a room 4-270.

Practice Problems for the Final are available on the course web-page. Solutions will also be posted.

Grades: No grade will be given by phone/e-mail. You can obtain your final grades and exam after December 22nd by contacting the course secretary, Joanne Talbot Hanley, in NE43-366.
