Coauthor stats: 3,300 posts (!) $\approx 300/\text{week}$
($\approx 2/3$ by students, $1/3$ by staff)
- 197 problems: 137 OPEN (+10 UPDATES)
50 SOLVED (+7 logistical)
10 CODING
- 86 with results! ≥ 30 papers

Survey: 25 responses

- time spent in class:

$\approx 28\%$ SOLVED, 60% OPEN, 2% CODING, 12% project

- everyone spent some time on OPEN

Questions for discussion:

- Working environment: Better room? Room use?
How to find/advertise groups?
- Ideas for other problem types? (e.g. CODING)
- Progress reports: how to do shorter?
- Writing: how to encourage more details posted?
- Other ideas for improvement/discussion?
- Other questions? (AMA)

Continuing:
- lots left to write & solve!
- meetings this summer and/or fall?
- reading class?
