HIGH SCHOOL

CONFERENCE

Tuesday, April 4, 2017

MIT Student Center

84 Massachusetts Avenue

Last updated: March 11, 2017

High school students are invited to attend a technical "mini-conference" presented by MIT students. As part of a hands-on learning exercise in oral presentation, MIT students from the Department of Electrical Engineering and Computer Science (EECS) will be giving talks on various topics from Math, Physics, EE and CS, prepared specifically with a HS audience in mind.

Program

* denotes slide collectors • students with < must present in first half • students with > must present in second half
